Hiring Manager,
Application for Frontend developer.

Dear Hiring Manager,

Thank you for the opportunity to apply for the Frontend developer role at your company. After reviewing your job description, it is clear that you are looking for a candidate that is extremely familiar with the responsibility associated with the role, and can perform them confidently.

Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am a focused developer who has been consistently working on projects with React js, React hook, Git, Vanilla JavaScript, APIs and other Frontend development Technology required in this field for websites, web pages and mobile web pages. I have developed the skills set directly relevant to the Frontend developer role you are hiring for, including web design and web platform development. Overall, I have consistently demonstrated teamwork, communication and problem-solving abilities in every aspect of my Frontend development and I invite you to review my detailed achievements in the attached resume.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I will look forward to elaborating on how my specific skills and abilities will benefit your organisation. Please do contact at 08082849213 or via email at aforasheed386@gmail.com to arrange for a convenient meeting time.

Thank you for your consideration, and I will look forward to hearing from you soon.

Sincerely,
Afolabi Rasheed.
